

**AMERICAN-CANADIAN GENEALOGICAL SOCIETY OF NH, INC. ®  
RESEARCH SERVICES PRICING EFFECTIVE 1 Jan 2021**

---

The Research Services Steering Committee has evaluated the current pricing for the various services that ACGS currently provides. The last time that a pricing study was made was in 2016, and changes were made that no longer reflect the market conditions, as well as the difficulty of new cases that we have been receiving.

A study of the pricing charged by our competitors was conducted and the Steering Committee has chosen to raise our pricing to remain competitive.
