Dear Member,

### **A Birthday Gift For You!**

The American-Canadian Genealogical Society of NH is 50 years old this year, an extraordinary accomplishment! For five decades the Society has been an important part of the genealogy community. We serve a great need to make available resources that are available in few other places, to all those researching French-Canadian ancestors in our library and via our website.

**In celebration of our 50<sup>th</sup> birthday, the Society is giving each of our valued members a gift. You are invited to give one complimentary membership to an individual who is not a current member and has not been a member in the last 3 years.**

Giving a complimentary membership is an opportunity to share the benefits you enjoy by being a member of ACGS: access to member only resources on the website and in the library, reduced rates to the Spring and Fall Conferences, three issues of the *American-Canadian Genealogist* per year, access to *MyHeritage* and *Genealogy Quebec* databases, and our monthly newsletter.

There are two ways to let us know your complimentary membership recipient's information:

**Email** [membership@asgs.org](mailto:membership@asgs.org) with the recipient's name, email address (required), phone, and mailing address. Please include your name and membership number in the email as well.

**or**

**Mail** –You or the recipient complete the form on the reverse and mail it back to the society in the envelope enclosed. Deadline for submissions is December 31st, 2023.

Don't miss this opportunity to invite a family member, friend, or colleague to be a part of the Society, as we celebrate 50 years and look forward to the next decade of research.

As always, thank you for your continued support!

Stephen Lefoley, Membership Chair
